Minutes of the extraordinary meeting 9th May 2012 held at The Hollows, Little Longstone at 6.30pm

Present
Mrs D Gregory, Mrs J Mantell, Mr R Gregory, Mr J Longsdon and Mrs S Stokes (Clerk)

38/12 Apologies for absence
Apologies were received from Mr and Mrs R Lambe, Mrs D Tasker, Miss A Gregory, Miss M Longsdon and Mrs M Longsdon.

39/12 Declarations of business interest
There were no declarations of business interest.

40/12 Licence relating to works at Monsal Head (DDDC) – Benches.
The Clerk reported that following Aprils meeting, comments had been sent back to DDDC, asking to amend points 4.6 and 4.7 in relation to benches and removing the name of the Clerk (see minutes of april meeting). DDDC have stated that they are looking into not naming the Clerk, in relation to the licence. They are unable to agree to the parishes requests, as the benches are to be donated, not replaced as and when required, by DDDC within their budget. A member unable to attend the meeting had sent their comments in. The members agreed to go ahead with the licence, with the removal of the Clerks name, if possible.

41/12 Licence relating to works at Monsal Head (PDNPA) – Interpretation board.
The Clerk reported that following Aprils meeting, comments had been sent back to PDNPA, regarding the licence. PDNPA would not change the named Clerk, due to Land registration. The two amendments were agreed with PDNPA, being that 'The Grantor further agrees to CONSIDER making a financial contribution towards any further replacement should such further replacement be necessary'. The other change was that 4.1 now reads 'to carry out works to replace the existing interpretation panel with an interpretation panel broadly similar in size shape and CONTENT'.

To note the Clerk contacted Land Registry in relation to the above, confirming that the Clerks details are registered with Land Registry, being the correct procedure. Clerk

and Mrs J Mantell to attend Meeting on Wednesday 16th May at PDNPA, where both documents are to be signed.

42/12 Any other business.

1. A complaint had been received regarding the noise of Fredericks ice cream van, being a 'vibrating rattle' every few minutes. It was noted that this type of ice cream, would require the engine to be run continuously. The members asked the Clerk to write to Fredericks looking into the particular van used on site.
2. Bins at Monsal Head s/t car park. Clerk had received feedback from C Barnes (whilst litter picking) at Monsal, that prior to the bank holiday weekend, the bins were already full/overflowing, spreading rubbish everywhere. The Clerk had reported the problem to DDDC already. Bins to be discussed at next meeting.
3. A member highlighted that following the parishes efforts to reduce speed/extra signage, there had been a motorbike accident from the Wardlow direction, leading down to Monsal Head. It was noted that there is no footway, adjacent to this busy road for Cliffehouse. Speeding to be discussed at next meeting.

43/12 Date of next meeting

Subject to any interim planning applications, the next meeting will be held on Monday September 17th at 7pm in the Chapel.
